Re: Illinois Department Of Corrections - Malfeasance/Mismanagement

Dear Sir of Madam,

I respectfully request you review the attached TIMELINE and exhibits in relation to my treatment since entering into IDOC 14 months ago. I am serving a 5 year sentence for "INTIMIDATION" from Ford County Illinois, for sending a text message to a neighbor. I stated that if she turned me into the police for driving my company truck home, that I would report her to DCFS after I watched her beat her handicapped child.

Upon entering the IDOC, I quickly learned that employees abuse and mistreat prisoners on a daily basis. When I attempted to report my observations, I was retaliated against at all levels. I'm not a person to shy away and at 47 years old, I refused to remain silent. Over the past 14 months, I have filed dozens of requests thru the Freedom Of Information Act, requesting public records from IDOC. I have attached a copy of some of these requests and the response of IDOC in blatantly lying about having most records which I requested. Even after appealing to the Public Access Bureau of the Illinois Attorney General, the IDOC responded to P.A.C. the same. (See Attached)

After being denied any relief from the IDOC director, Mr Godinez and his deputy directors, I began filing lawsuits in state and federal courts. At this time I have 7 cases pending against IDOC and 2 cases in state court. I am currently being held in a very corrupt facility (Lawrence Correctional Center) in Sumner Illinois. I am due to return to society in 8-14 months, am serving time for a non-violent offense, have a very good disciplinary record and IDOC refuses to transfer me to an adult transition center. IDOC employees encourage me to file lawsuits. Their is no rehabilitation in IDOC, actually I watch young men who probably could be rehabilitated, be abused and tortured until they cant tolerate the abuse and react in an aggressive manner. Here at Lawrence we are locked in our cells for approximately 22 hours per day. I ask that you make an inquiry as to just how many lawsuits the IDOC has filed against it's employees and investigate the true and accurate recidivism rate for offenders. The IDOC is an over crowded failure just waiting to explode in violence. Please resond to me, if you find merit to any of the court orders, letters or other documents I've enclosed. I have a family and 3 sons that I need to be supporting instead of filing dozens of lawsuits monthly on behalf of myself and other inmates.
